

# TOWNSHIPS

Indiana Statute establishes that each county has a varying number of townships. The elected trustee has an elected board of three to work with and oversee the duties assigned to the trustees. The duties are primarily:

- Providing for poor relief and burial of the indigent
- Maintaining cemeteries and burial grounds
- Resolving fence disputes
- Controlling weeds and underbrush
- Managing the township budget and financial records
- Preparing an annual financial report

Morgan County has 14 such townships, and trustee's addresses and telephone numbers are listed below:
